BUSINESS TRAVEL

Sales Training June 20-28, 2019.

I just completed another successful sale training trip to Peru, Ecuador, and Columbia where I met with dealers and retailers of both Inspire Fitness and GoFit.net. I have a few photos from the trip I thought I would pass along to you.

|Lima, Peru|

GoFit sent me a kit of samples to present to each customer we met with and our first stop was in Lima, Peru to meet with Compania Fitness, Cecilia Guzman and Mario Garate. They loved the samples and are reviewing the market for sales in Peru. Compania Fitness will be our newest Inspire Fitness distributor and are excited to take on the line for sales and distribution in Peru.

missionary for the Church of Jesus Christ of Latter-day Saints. We were able to spend Friday and Saturday together before I left for Ecuador. He is having a great experience in Lima working with and serving the people there. His Spanish is good too! He has one more year of a two year assignment.

|GUAYAQUIL, ECUADOR|

Kao Sport Centers are a great partner for Inspire Fitness in Ecuador. Their staff are dedicated, hard working and love fitness. We had a great Training Session on June 24th, covering M2, SCS Cage, FT1, FT2 and Body Lift.

|QUITO,ECUADOR|

One of the gems in South America, Quito (2,850 metres) sits around the base of the Pichincha volcano (4,784 metres) which you can see

Adrian Kao, general manager and the owner's son (sitting next to me below), translated for me as we trained their staff how to sell and service Inspire Equipment. I offered to hire Adrian as our Latin America sales manager as he knows Inspire as well as anyone and is an excellent trainer. I don't think he is taking me up on my offer!

|MEDELLIN, COLUMBIA|

Medellin - what a beautiful city and it is certainly the “City of Eternal Spring”. HA Bicicletas - Sport Fitness Shop’s Juan Gonzalez and Gabriel Mesa are excellent to work with and they are turning up the heat with Inspire Fitness. We met in their flagship store and trained their staff on the CR2, CS2.5, CB1, Body Lift, SCS Cage and FT2. HA is the largest bike distributor in Columbia, and they are growing their fitness business as well. We wish them great success in the future.
