Dear Distributors and Retailers:

With an upswing in sales here in the USA and around the world there has been a huge increase in demand for fitness products and many delays in shipping from factories in china trying to keep up with the demand.

We have Great News!! Spirit Fitness and Xterra Fitness, USA made brands have inventory! Most items are available and ready to ship. Below are just some of Spirit Fitness and Xterra Fitness products. See all product on our [eBrochure here](#) or by clicking on the picture to see more product details.

CT900 TREADMILL

Robust construction and commercial-grade components make the CT900 Treadmill the standard for any treadmill to measure against.

- Premium, ultra-bright blue LED display
- Polyurethane shock absorbers ensure just the right amount of cushioning
- Roomy 22" x 62" workout surface for a comfortable workout
- Industrial, 5.0 horsepower AC drive system provides power and longevity

CE900 ELLIPTICAL

Workout comfort and performance were top of mind when the CE900 Elliptical was developed. Owner's can feel secure they made a solid investment in their users' experience.

- 30 lbs. flywheel with a 12:1 pedal to flywheel ratio creates the perfect balance for a smooth stride
- Extra wide, 12 groove poly-v belt with roller bearing tensioner for long product life
- 21" stride length with exclusive 2-degree pedal inversion to assure comfortable motion
- Industrial grade 72mm roller bearings for long life and added reliability

XIC600 INDOOR CYCLE

The premium design of the XIC600 indoor cycle offers superior features and adjustability.

- 48.5 lbs Precision Balance Flywheel
- Fore/Aft/Up/Down - Seat & Handlebar Adjustment
- Wireless LCD Console
- Rotary Knob for Micro Resistance Adjustments
- Smooth Belt Drive System

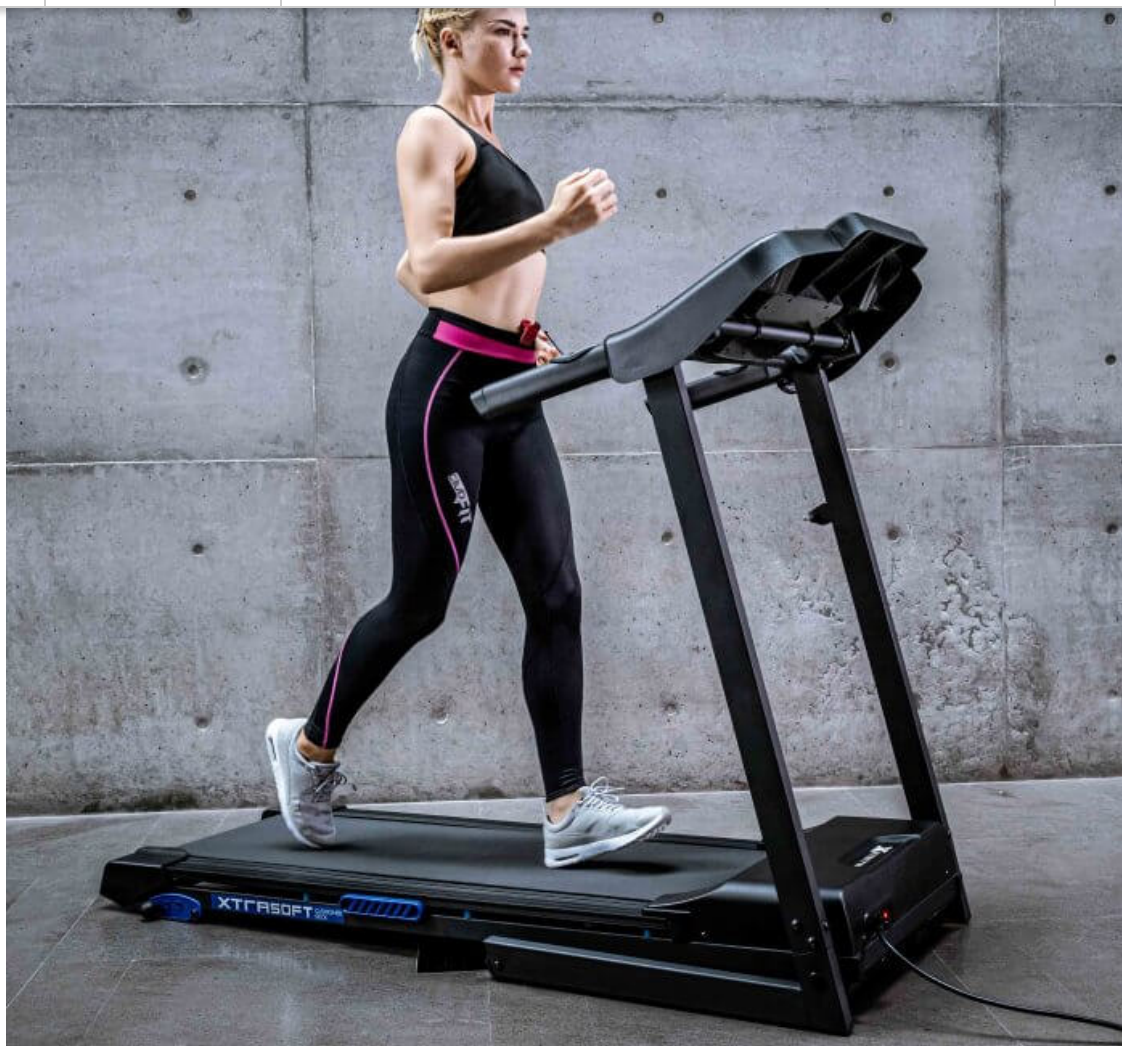

CRW800H2O ROWER

The CRW800H2O is one of the most comfortable and accessible commercial rowers available and will provide clients with an effective and enjoyable full-body workout.

- 6 levels of water resistance
- Heavy-duty steel frame can be positioned upright for storage
- Commercial grade padded handlebar is both comfortable and durable
- Tank is pressure tested for long-lasting performance, and angled at 45 degrees to increase range of resistance compared to flat tank designs

TRX1000 Treadmill

Enhance your health and fitness at home with the XTERRA Fitness TRX1000 Folding Treadmill. This feature-rich treadmill will help you maximize your results.

- Quiet 2.25 HP motor
- 3 manual incline settings
- Hand grip pulse sensors mounted on the side handlebars
- Folds up easily with Lift Assist frame design
- Large 5" LCD display
