CENTR x HYROX PERFORM TREAD

A CURVED MOTORLESS RUNNING
MACHINE DESIGNED FOR PEAK
PERFORMANCE

This non-motorized treadmill boasts a cushioned surface and curved design to encourage proper form. With 8 levels of resistance and multi-position handles, the Centr x HYROX Perform treadmill enables you to easily transition from free run to side shuffle to a simulated sled push or pull. This treadmill will get you ready for HYROX competitions as well as other endurance sports.

INSPIRE SERIES FT2 PRO SMITH FUNCTIONAL TRAINER

The FT2 PRO is the next generation of Inspire Fitness's top rated FT2 Functional Trainer. It's a commercial-grade cable machine with selectorized Smith bar all in one machine. The patented design includes our counterbalanced Smith Bar and carriage system, three main pulley areas, pull up station, integrated free weight and accessory storage rack, and two 165lb weight stacks. With a maximum resistance of 350lbs on the Smith Bar, the FT2 PRO is built for all fitness levels.
